

**DEAR CLIENT !**

**BEFORE TAKING YOUR MEDICINES YOU ARE ADVISED TO ASK YOUR DISPENSER THE FOLLOWING QUESTIONS IN CASE THE INFORMATION PROVIDED IS NOT SUFFICIENT**

- 1. What is the name of the medicine prescribed and what does it treat?**
- 2. When supposed to take this medicine and for how long?**
- 3. What should i do in case i forget to take the medicine as instructed?**
- 4. Are there possible side effect due to the use of the dispensed medicine?  
If yes,what should i do?**
- 5. What precautions should i take when taking the medicines?**
- 6. Is this medicine safe for a pregnant or breast feeding mother?**
- 7. Under what conditions should i store the dispensed medicine?**
- 8. Can i share the medicines with my relative suffering from the same condition?**
- 9. In case i feel better can i keep the remained medicines for future use?**
